## BAG-IN-BOX LIQUID BROTH CONCENTRATES

Professional chefs appreciate the superior taste, convenience and versatility of Savory Choice liquid broth concentrates. Each box will yield 25 to 30 gallons of single strength broth.

- Bursting with intense taste and aroma without the use of herbs or spices
- Use at full strength to enhance the flavor of any dish
- Bag-in-Box is shelf stable even after opening
- For use in soups, sauces, brines, rubs and marinades

AVAILABLE IN CHICKEN, BEEF, VEGETABLE, TURKEY, PORK, SMOKED PORK, VEAL, CLAM, SEAFOOD, LOBSTER, CRAB, SHRIMP, FISH, MUSHROOM, MIREPOIX, VEGAN CHICKEN & VEGAN BEEF

## REDUCED SODIUM LIQUID BASE

Foodservice operators will appreciate the full flavor while having half the sodium of our regular broths. Our premium bases are for more than just soups. Use as a base for sauces, gravies or marinades. You will appreciate our quality, convenience and cost.

- Superior signature flavor with only 360 mg of sodium per serving
- 10 lb. pail yields up to 50 gallons of broth
- Ideal replacement for high sodium bases

AVAILABLE IN CHICKEN, BEEF, VEGETABLE, TURKEY, PORK, VEGAN CHICKEN & VEGAN BEEF

## STOCK POT IN-A-POUCH BROTH CONCENTRATES (LOW SODIUM)

Never make stock again. No more boiling bones, skimming and discarding the waste. As fast as you can add one pouch of Savory Choice Stock Pot In-a-Pouch to water, you can have a low sodium stock as good as your own.

- A revolutionary foundation stock in minutes
- Robust flavor with 120 mg sodium per serving
- Convenient pre-portioned pouches ensure your recipe is consistent every time
- No added potassium chloride
- Available in two convenient sizes:
  - 500 gram pouch
